Martin has severe brain damage and could not be able to move .

Persons in the program will not let him go the hospital . Persons are talking out of his voice anyway and he does not have the correct proof to show the hospital he was tortured by direct energy and how they scrambled and inhibited his brain (motor cortex , brocca area , werneck area) .

He is not being allowed to move to the hospital by us .

Fbi needs to understand since the muscle contracture system has been left on he might not be able to talk or walk or think .

Fbi needs to intervene he is paralyzed
