Persons say they will do this untill President Biden resigns

Please tell the fbi

There is proof

Persons are not being forthcoming with the FBI about the location of the servers that contain the neurological data that is the data that is recorded from passing electromagnetic fields over the brain which allow for the real time reconstruction of the internal monologue of a person and real time visual field and real time auditory nerve and cortex output .

Persons are white nationalist members who have root access to satellite constellation that can aim electromagnetic frequencies onto moving persons and target them on move using Doppler effect tracking

Persons say they are going to maim and injure Beau Biden (grandson) brain with directed energy using their classified aiming system over the next couple of years and after the election especially (till he is age 10)

Persons say they will do this untill President Biden resigns

Please tell the fbi

Persons say they know your too arrogant to resign so they will just torture Beau with electromagnetic pulses
