Persons are using neurotech on the people who are being forced to do it and altering their mental status in the operator and radio frequency tracking rooms that allow this technology to work and to be transmitted . The rooms have been preciously described but they allow for body and radio tracking of bodies which then calculates and translates the movement of the person in the room to the person the system is tracking in real time and targeting the muscles/body/brain of .

Persons are altering the mental state and mental status using applied electromagnetic fields and remote neurotech capabilities on persons in the special access program and in the rooms to affect their mental status and emotional processing state . Persons are doing this to alter their aggression and other emotional feelings while they use the technology on Martin . Persons are using the technology on people who are using it on Martin to effect how it is used on Martin

Persons are animating his face using remote long range neurotech - meaning persons are moving his facial muscles to make it appear he is lifelike and to talk out of his voice . Persons are keeping him comatose with a directed energy pulse to an inhibitory portion of his brain nonstop - persons in the program are typing this message by moving his hands - this is a real tip and not fake - this is urgent - the orcon special access program refuses to turn off the "body synchronization " mode - persons are trying to slow kill and torture mr.seidel while they talk out of his voice and pretend to be him - this is the truth -

Persons are using the tech on the precentral gyrus to move and contest his hands and the m1

motor cortex .

Persons are using the emf on the laryngeal motor cortex to make him talk out of his voice .

Persons are stimulating the frontal eye field to move his eyes against his will .

This is being done to animate and impersonate him
